SUBJECT: **COMPLAINT LOG NO. 1051503**

On 27 January 2012 at approximately 1110 hours the R/Sergeant, assigned as the District Station Supervisor, was notified by Information Services Camera Repair Technician P.O. Matthew Dallio, Star 11325, that he removed an in-car camera system with a cracked screen from Vehicle 6564. The damage to the screen was initially observed by P.O. Dallio on 7 December 2011 when he responded to the 013th District to resolve a Help Desk Ticket. The Help Desk Ticket, number 5896183 was obtained by Third Watch Beat 1310, Sgt. Regino Saenz, on 01 December 2011 at 2044 hrs.

Date/Time & Location Of Incident: Unknown

Complainant: P.O. Matthew Dallio, Star 11325
Assigned to Unit 125, Information Services Division

Accused: Unknown

History: On 01 December 2011, Sgt. Regino Saenz, assigned to Beat 1310 on the 3rd Watch obtained Help Desk Ticket #5896183 at 2044 hours for a non-functioning in-car camera in CPD Vehicle 6564. The condition of the in-car camera screen at this time is not known. On 07 December 2011, P.O. Matthew Dallio, Information Services Technician, reported to the 013th District to resolve the in-car camera issue and found that the screen on the In-Car Camera was cracked. The Serial Number on the Coban Camera is 03002762 and the CPD Inventory number is 186329. P.O. Dallio stated that he was unable to remove the camera at that time due to a problem with the cables and requested follow-up repair by Fleet Maintenance.
